Genl and Rev: Deptts

SIR,

I have the honor to submit herewith a statement shewing the touring done by me during the official year 1st July 1895 to 30th June 1896.

2. It will be seen that except in January during which month I was on leave, I have been incessantly on the move throughout the year. Yet in spite of this, I found that in the

last

last month of the year I had still five Districts to inspect for the year I had accordingly to take my horses and carriage by train so as to do the inspection within the time. I could have done the work leisurely and taken my own time over it, but for emergent calls on my attention.

3. I find that my time is practically divided between Bangalore and Mysore, thereby necessitating my keeping two establishments.

4. I would in consideration of these facts, solicit that Govern-ment be pleased to allow me to charge trainage for 4 horses and one carriage from Bangalore to Mysore and also on the Railway from Bangalore to Harihar on one side and Hindupur on the other.

5 I need not point out that such an indulgence will conduce to greater efficiency, as thereby I should be able to visit the more distant stations oftener.

6. In the present instance, I have to request that Government will be pleased to pass the bill herewith sent for charges, actually incurred in transporting 4 horses and 1 carriage from Mysore to Maddur as I had to go emergently to Malavalli under orders of Government and for trainage to Tumkur and to Arsikere and back from Kadur to Bangalore, as I had to proceed rapidly to finish my inspections before the close of the year, having been detained in Malavalli longer than I anticipated.

As regards my trip to Malavalli

I may note here that I charge only for the second occasion, as on the first I was able to go by way of Bannur.

I have the honor to be,
Sir,
Your most obedient servant,
